## 1. Aims

Our school aims to:

Have robust, clear processes in place for charging and remissions

Clearly set out the types of activity that can be charged for and when charges will be made

## 2. Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and the [Education Act 1996](#), sections 449-462 of which set out the law on charging for school activities in England.

## 3. Definitions

**Charge:** a fee payable for specifically defined activities

**Remission:** the cancellation of a charge which would normally be payable

## 4. Roles and responsibilities

### 4.1 The governing board

The governing board has overall responsibility for approving the charging and remissions policy, but can delegate this to a committee, an individual governor or the headteacher.

The governing board also has overall responsibility for monitoring the implementation of this policy.

Responsibility for approving the charging and remissions policy has been delegated to Resources Committee

### 4.2 Headteachers

The headteacher is responsible for ensuring staff are familiar with the charging and remissions policy, and that it is being applied consistently.

### 4.3 Staff

Staff are responsible for:

Implementing the charging and remissions policy consistently

Notifying the headteacher of any specific circumstances which they are unsure about or where they are not certain if the policy applies

The school will provide staff with appropriate training in relation to this policy and its implementation.

#### **4.4 Parents**

Parents are expected to notify staff or the headteacher of any concerns or queries regarding the charging and remissions policy.

#### **5. Where charges cannot be made**

Below we set out what we **cannot** charge for:

##### **5.1 Education**

Admission applications

Education provided during school hours (including the supply of any materials, books, instruments or other equipment)

Education provided outside school hours if it is part of:

The national curriculum

A syllabus for a prescribed public examination that the pupil is being prepared for at the school

Religious education

Instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent

##### **5.2 Transport**

Transporting registered pupils to or from the school premises, where the local authority has a statutory obligation to provide transport

Transporting registered pupils to other premises where the governing board or local authority has arranged for pupils to be educated

Transport provided in connection with an educational visit

#### **6. Where charges can be made**

Below we set out what we **can** charge for:

##### **6.1 Education**

Any materials, books, instruments or equipment, where the child's parent wishes him or her to own them

Music and vocal tuition, in limited circumstances

Certain early years provision

Community facilities

##### **6.2 Optional extras**

We are able to charge for activities known as 'optional extras'. In these cases, schools can charge for providing materials, books, instruments or equipment. The following are optional extras:

Education provided outside of school time that is not part of:

- The national curriculum
- A syllabus for a prescribed public examination that the pupil is being prepared for at the school
- Religious education
- Transport (other than transport that is required to take the pupil to school or to other premises where the local authority or governing board has arranged for the pupil to be provided with education)
- Extended day services offered to pupils (such as breakfast clubs, after-school clubs, tea and supervised homework sessions)

When calculating the cost of optional extras, an amount may be included in relation to:

- Any materials, books, instruments or equipment provided in connection with the optional extra
- The cost of buildings and accommodation
- Non-teaching staff
- Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for.

## **7. Voluntary contributions**

As an exception to the requirements set out in section 5 of this policy, the school is able to ask for voluntary contributions from parents to fund activities during school hours which would not otherwise be possible.

Some activities for which the school may ask parents for voluntary contributions include: School Trips

**There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay.**

If the school is unable to raise enough funds for an activity or visit then it will be cancelled.
